**WORK PLAN APPROVAL – DESTRUCTION OF WATER SUPPLY WELL, FORMER C-6
FACILITY, BOEING REALTY CORPORATION, LOS ANGELES
(FILE NO. 95-036)**

Dear Mr. Mossman:

We have received the "Workplan for Destruction of One Water-Supply Well" (Workplan) prepared by Richard C. Slade & Associates dated February 2001. Regional Board staff verbally approved implementation of the Work Plan during a meeting on February 22, 2001, and this letter documents that approval.

The Workplan presents the proposed procedures for the destruction of one former water supply well discovered during the demolition of a building. We have completed our review of the Workplan and approve its implementation.

Please call me at (213) 576-6737 if you have any questions.

Sincerely,

John Geroch
Associate Engineering Geologist
Site Cleanup Unit I

California Environmental Protection Agency

The energy challenge facing California is real. Every Californian needs to take immediate action to reduce energy consumption
For a list of simple ways to reduce demand and cut your energy costs, see the tips at: <http://www.swrcb.ca.gov/news/echallenge.html>

Recycled Paper

Our mission is to preserve and enhance the quality of California's water resources for the benefit of present and future generations.
